

Everything is within me.... Why we must all learn to Manifest?

APPLYING THE LAW OF ASSUMPTION

Have you ever had a dream in which you felt you were controlling the dream or making decisions in that dream. Well, this is because we live in a dream state, and this means that we, or our souls, can have as many dreams desired at any given time and control those dreams.

Since we can be in our dreams, this demonstrates our ability to return to our Source (GOD) and be able to give ourselves whatever we want in this dream. THIS IS WHERE WE CAN HAVE THE EASIEST ABILITY TO USE THE **LAW OF ASSUMPTION.**

NEWS FLASH: WE ARE IN A DREAM ALREADY!!!

Before we continue, we must understand that we are of Source (GOD) and there are always infinite dreams ongoing. This means that all possibilities exist. This in turn means that there exists a dream where you have what you want.

Additionally, what everyone must understand before they can "manifest" their desires, is that all you really want already exists WITHIN you.

So, all we must do is move ourselves to that particular dream state by doing the following:

WHEN SOMETHING IS NEEDED OR WE FORGET THAT WE ARE SOURCE (GOD) AND NEED SOMETHING, IT IS TIME TO APPLY THE LAW OF ASSUMPTION.

One then says, "THE WAY IS WITHIN ME, _____ IS WITHIN ME, IT (THEY) ARE NOT SEPARATE FROM ME. SO I AM GIVING THIS _____ TO MYSELF. BECAUSE EVERYTHING ELSE IS CONNECTED TO ME.

NOTE: SO, THE PERSON(S) THAT AFFECT THE OUTCOME OF WHAT IS NEEDED OR WANTED OR REQUIRED ARE NOT SEPARATE BEINGS. THIS IS NOT TO Demean OTHERS BY SAYING THAT THEY DON'T EXIST, BUT IT IS TO SAY THAT THEY ARE CONNECTED.

SO, IF I AM SENDING THEM SUCCESS OR POSITIVITY THAT THIS IS DONE OR SOMETHING IS DONE, THEY WILL PLAY THEIR PART AND DO SO. AND VIOLA.

Be in the mind that we are one and connected and keep saying that this is a dream in the mind of the all, and I am awake in this dream, I am a part of this dream, I am one with the Source, there is no separation, everything is within me in the higher context so I can have everything I want; all I have to do is give it to myself.

You see all you need to do is give it to yourself by going back to the SOURCE (GOD).

When you go back to separation and believe in separation then everything is impossible; then it's being a human in a big world, and life is tough, and the magic is gone out of life.

Life things are hard but when you go back to the source, and you realize that you and the person next to you, or standing in front of you, they have the same Source, the Same Soul lives within them, the same energy.

Then you can convey your desire, your energy to the source; telling it what you want and that's it and believing that it will be achieved, and it will be.

Please be aware that we live in a duality consciousness in the Third Dimension and as we will heavily transfer from the Third Dimension to the Fourth Dimension and ultimately the Fifth Dimension starting this year 2024.

As we are moving into a Unity Consciousness and there, we will be able to easily Manifest anything we desire instantly.

Being in Unity is being with all, and as we are in the all, we will always be able to attain what we desire with no effort.

With that said, we individually must learn to Manifest, and Manifest in the Positive, because when we are at a higher dimensional level, everything we think will come to us immediately.

The tools provided here are in addition to always setting an Intention as if the thing or desire has already been attained. Live it, believe it, speak of it, appreciate it as if you already have it.

We must do so by giving total GRATITUDE to Source and to the Universe. It is extremely important to give gratitude to everything we have physically and non-physically.

If you have reviewed our website, you will see that we have mentioned all the major things that will change in our lives on the New Earth in the coming years. Such as, no more wars, no more poverty, no more lying politicians, no more need for money, and many other changes that we will all create with our minds.

You can create the Earth that you want from this moment on. Your desires will be met once you are living in the Fifth Dimension in the New Earth.
